

## **ALPHABETICAL LISTING OF SPECIALLY DESIGNATED NATIONALS AND BLOCKED PERSONS:**

This publication of Treasury's Office of Foreign Assets Control ("OFAC") is designed as a reference tool providing actual notice of actions by OFAC with respect to Specially Designated Nationals and other persons whose property is blocked, to assist the public in complying with the various sanctions programs administered by OFAC.

Entities and individuals on the list are occasionally licensed by OFAC to transact business with U.S. persons in anticipation of removal from the list or because of foreign policy considerations in unique circumstances.

## **Vessels**

Blocked vessels are being segregated into a separate section on the Master list of Specially Designated Nationals and Blocked Persons. Banks are now instructed to reject any funds transfer referencing a blocked vessel and must notify OFAC, via facsimile with a copy of the payment instructions, that funds have been returned to remitter due to the possible involvement of an SDN vessel in the underlying transaction. Banks must contact OFAC's Compliance Programs Division for further instructions should the name of an SDN vessel appear in shipping documents presented under a letter of credit or if noticed in a documentary collection. SDN vessels must themselves be physically blocked should they enter U.S. jurisdiction. Freight forwarders and shippers may not charter, book cargo on, or otherwise deal with SDN vessels.
